

Immertec

Immersive training & awareness platform

Getting started with Immertec has never been easier! Our mobile studio team is ready to visit your location for a full day, capturing your case(s) in immersive VR and 2D. This package empowers you to create instant awareness in a competitive market. Leverage VR headset recordings to captivate physicians, investors, and tradeshow attendees, generating interest like never before.

2023 Quick Launch

Immersive Awareness Package

\$35,000

Includes:

- Story board session with Immertec's team
- Travel to your location of choice (within USA)
- Dedicated Customer Success Manager
- On-site technical support during the case
- 1 full day of on-site recording with Immertec's mobile studio team
- Fully edited 3D and Immersive 2D recording(s)
- 3 VR headsets
- 5 Immersive 2D licenses
- 2 admin licenses
- Annual software subscription included

Special pricing package valid until 9/30/2023. Starting from 10/1/2023, the package reverts to the standard rate of \$50,000. Additional fees apply for international travel. White glove VR headset shipping is available at \$150 per attendee.
